Resources

The following materials and resources are available to help make your time as Forum chair as productive as possible.

The Forum page on the EO Hub has numerous tools and templates for your reference.

Virtual Forum Training Library

For Forum members

For Forum moderators

For retreat planners

Scheduling tool

Forum workshops

Connect with each other

- Forum chair WhatsApp group
- ConnectEO: here you will find tools, best practices, and resources. You can also communicate with other chairs to share experiences and knowledge.
- A great way to connect with other Forum chairs is through your Forum expert's monthly calls, which will give you the time and platform to address any concerns in your chapter and gain valuable peer feedback from your fellow Forum chairs. You will also be a resource to them as you discuss your challenges and successes!
- Forum chairs Samepage: this platform allows users to share documents with each other very easily. EO professional staff will ensure that Samepage is up to date with any documents you need to do your job! Again, look for an invite just after GLC.
- We have put together a streamlined and automatically updated calendar of all upcoming Forum Training programs around the world. Through this link, chapter staff, Forum chairs, Forum experts, and Forum expert leads will now be able to see all of the FTPs, MTPs and Forum Next Levels happening in all EO regions, both in-person and virtual.

- Looking for specific tools and resources? Contact the Forum Team (forum@eonetwork.org).
